In addition, the *team owner* is authorized to change the following information:

- **Team name**

To change the data stored in your Bimplus user account

This is only possible if ...

You are signed in to the **BIMPLUS** web portal (see "[Signing in to the BIMPLUS web portal](#)")

1. Go to the title bar of the **BIMPLUS** web portal and click your (user) name or profile picture.

You can see the user menu.

2. Click  **Account settings** on the user menu.

You can see the **Account settings** form.

3. *To add or change your profile picture*

Click the frame of the picture or the picture itself. In the **Open** dialog box, select the required image file and click **Open**.

4. *To change your email address or password*

Click . You can see the **Change email** or **Change password** dialog box. Enter the new email address or password twice and click **Change**.

5. *To add or change other details*

Add or change the relevant details.

6. Click **UPDATE** at the bottom of the **Account settings** form.
