

Bimplus Projekte löschen

Only the owner of a Bimplus team or a team administrator can delete a Bimplus project *including* all its specialist models, member lists, project documents, and communication between project members.

To delete a Bimplus project

This is only possible if ...

You signed in to the **BIMPLUS** web portal (see "[Signing in to the BIMPLUS web portal](#)")
You are the team owner or team administrator of the Bimplus team

1. Select the navigation menu by clicking  **Show navigation menu** on the title bar of the **BIMPLUS** web portal.

2. Click  **Open project**.

You can see the projects of the current Bimplus team.

3. *Only if you are the owner or administrator of several Bimplus teams:*

Click the  **Bimplus team** on the side menu.

 **Tip:** If you cannot see the side menu, click  **Toggle side menu** at the bottom of the left sidebar.

4. If  **Icon view** is selected:

Point to the project that you want to delete, click  **Options** and then  **Delete project**.

Or:

If  **Table view** is selected:

Go to the **Options** column of the project that you want to delete and click  **Delete project**.

Or:

Open the tree structure for the  **Bimplus team** on the side menu. Go to the  **Project** that you want to delete, click  **Options** and then  **Delete project**.

5. Click **DELETE** to confirm the prompt.

ATTENTION!

This deletes the Bimplus project for good! You cannot undo this operation. Not only the project itself but also all its specialist models, documents, files, and project issues will be deleted.
