Attributmanager aufrufen

Use the property manager to edit property sets and property set templates.

> ⓘ **Note**: The property manager is available only to the team owner and team administrators.

To open the property manager

> **This is only possible if ...**
>
> You are signed in to the **BIMPLUS** web portal (see "Signing in to the **BIMPLUS** web portal")
> You are the team owner or team administrator of the Bimplus team

1. *Only if you are the owner or administrator of several Bimplus teams:*
   Make sure the required team is the current team (see "Selecting the current Bimplus team").

2. Select the navigation menu by clicking ☰ **Show navigation menu** on the title bar of the **BIMPLUS** web portal.

3. Click 🏷 **Property manager**.

   You can see the three-column table of the property manager.
