

Ihre Bimplus Registrierung

You must be a registered Bimplus user if you want to take part in a Bimplus project or open your own Bimplus team. Only by registering do you become an active Bimplus participant.

You can register in three ways:

- **You are a registered user of Allplan Connect.**

If you are a registered user of the [Allplan Connect service portal](#) , you do not need to do anything else. In this case, you are automatically a registered Bimplus user.

To sign in to Bimplus, you can use the same details as for signing in to Allplan Connect.

- **You are not a registered user of Allplan Connect.**

If you are *not* a registered user of the [Allplan Connect service portal](#) , you can register with the Allplan Community for free. After registration, you get an Allplan account and automatically become a registered Bimplus user at no extra cost.

To do this, go to the [Welcome page of Allplan Bimplus](#) and click **Register now** in the **New account** area.

- **You are invited by another Bimplus participant.**

You have received an invitation from another Bimplus participant who invites you to take part in a Bimplus project or Bimplus team. By accepting this invitation, you automatically become a registered Bimplus user (see "[Accepting the invitation to Bimplus](#)").
