

Datenschutzeinstellungen für Ihren Webbrowser

You can use the **BIMPLUS** web portal only if the privacy settings of your web browser allow third-party cookies.

To find out whether your web browser allows or blocks cookies, you need to check or change the web browser's settings for **Privacy** or **Privacy and security**.

To check or change the privacy settings of your web browser (Microsoft Edge in this example)

This is only possible if ...

Your web browser (Microsoft Edge in this example) is open

1. Select the **Settings**.

To do this, go to the upper toolbar of Microsoft Edge and click **Settings and more** and then  **Settings**.

2. Select the  **Privacy and security** tab.
3. Go to the **Cookies** list box and select the **Don't block cookies** option.
4. Restart your web browser.
